STRENGTHEN NAMI'S IMPACT BY BECOMING A PAID MEMBER!

WHO SHOULD JOIN?

ANYONE AFFECTED BY MENTAL ILLNESS

MENTAL HEALTH PROFESSIONALS

CIVIC MINDED INDIVIDUALS

All dues and donations may be tax deductible.

The Importance of Membership

- Provides free of charge support, education, and advocacy programs to those affected by mental illness. NAMI helps fill the void of expensive, inaccessible mental health services. Free community outreach programs remove barriers to educating the public, health professionals, school personnel and government officials on supporting our mission.
- Only paid members are counted in our advocacy efforts to policy makers. These membership numbers demonstrate the potential impact we have on representatives and legislators.
- Empowers you to help direct the Atlantic/Cape May affiliate's policies and programs. Paid members can only vote for/or be elected to our board of directors and lead programs such as Family to Family classes and facilitate support groups.
- Provides up to date information from the National and New Jersey organizations through its main publications and access to member only websites.
